Christ for Sao Luis

John and Ruth Navis have been missionaries to Brazil since June of 1990. John's first challenge was to learn the language so he could effectively minister to the people of Sao Luis. The church has seen steady growth in attendance at its weekly services as well as with its annual Vacation Bible School program.

John has several Bible study groups with men of the church and those he is seeking to evangelize and continues to train them to preach and teach. Ruth also continues to train members to teach and has two evangelist Bible studies.

Church of Christ Mission in India

This mission was started by Bernel and Joan Getter in 1948. They have started schools for all ages of children, from nursery age through high school. A Bible college and junior college have been established and enrollment is now over 5,000. The center of their teachings is the Bible. They have a "vocational priesthood" whereby the students will graduate with knowledge of a particular trade. This will help them both become independent and to provide a service to the community.

WCMA

The WCMA exists to create vision, plans, services, and resources for new churches. It will enhance the growth of God's kingdom through prayer, planting of churches, supporting other church planting efforts, and assisting the new plants to reach full potential.

Crossroads College

Crossroads College is a four year, non-denominational, coeducational, post secondary institution associated with Christian Churches and Churches of Christ. The college's mission is to serve Christ and His church through academic excellence in a Christ-centered education by developing Christian leaders who impact the world for Christ, and by providing resources that strengthen churches and enrich the community.

Rock River Christian Camp

Rock River Christian Camp provides Christian nurture and evangelism in an outdoor setting for extended periods of time using dedicated Christian leaders as models of Christ. Campers are given knowledge of who Jesus Christ is, what he has done for them and are challenged to respond to Jesus Christ. Youths and adults have grown through camps in the summer and retreats throughout the year since 1954.

Wisconsin Christian Campus Ministries

WCCM is a fellowship and support organization offering a variety of services for ministries on university campuses in Wisconsin. WCCM strives to encourage communities of faith where students can begin and develop a relationship with God and learn to put the love of Christ into action everywhere they go.

Slavic World for Christ

This mission is the result of Stephan Bilak's desire to bring the message of Jesus Christ to his homeland, the Ukraine and the Slavic world. It began with a radio ministry and in 1989 Stephan and wife Reba, returned to the Ukraine to start a church. The Old Park Church of Christ in Ternopil today has about 65 members and has secured a toehold in Western Ukraine through Family Bible Camp, VBS, and other outreach programs. Since Stephans' death in 2005, this ministry continues through efforts of the Minter Lane Church of Christ in Abilene, Texas.

Women At Risk

Women At Risk (WAR) is a ministry to commercial sex workers in the urban areas of Ethiopia. WAR seeks to rescue these young women from street life by enrolling them in a year-long program of skill training, spiritual teaching, counseling, and mentoring. Serving the cities of Ethiopia since 1994, WAR trains as many as 15 women each year through its interactive group program—and has experienced great success. The lives of many women have been changed forever as they have learned income producing skills and as they have been introduced to Christ.
